- Any horse show wanting to run HVHJA classes must submit an application at least 60 days in advance of the show date.
- It is required that specifications for the HVHJA Program be available the day of the show with the show secretary.
- The HVHJA will only accept points from classes that are correctly named and run according to the HVHJA specifications. The class must be listed in the prize list, and cannot be added on the day of the horse show.
- If the results are not submitted within two (2) weeks of the competition on the official results form, the show will be considered delinquent and found not in good standing with risk of results not counting.
- All horse shows must have a licensed EMT present on the show grounds for the duration of the show.
- All show grounds must be in safe, proper workmanlike condition for both horses and riders.
